ABOUT FUTURE ACES FOUNDATION

This annual golf tournament is a fundraising event that plays a vital role in supporting our Foundation's mission. Proceeds help empower thousands of children across Canada to achieve their personal and academic goals.

Through your support, we provide:

- Scholarships
- Leadership conferences
- Character education programs

Since its founding in 1987 by Dr. Herb Carnegie, his wife Audrey and daughter Bernice, the Future Aces Foundation has been committed to developing confident, capable, and community-minded young leaders.

Dr. Carnegie's mission was to inspire youth to build strong character, pursue excellence, and make meaningful contributions to society. His legacy continues through programs delivered in schools and communities across Canada.

The memorial Herbert. H Carnegie Future Aces Foundation Golf Tournament is a tribute to Dr. Carnegie's extraordinary legacy in both sport and mentorship. A decorated golfer, including multiple Canadian and Ontario Senior Golf Championships, Dr. Carnegie's life exemplified excellence, perseverance, and leadership.
